

# OverDrive eBook Download Instructions for Android Devices

Burlingame Public Library

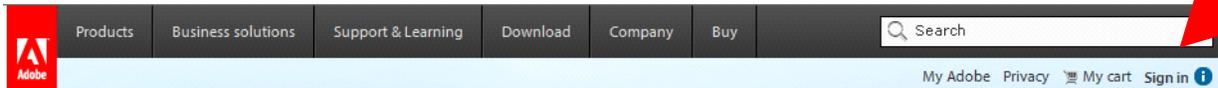

**Equipment needed to ensure a successful download for checking out eBooks from OverDrive:**

- **An Adobe Digital Editions account/ Adobe ID**
- **An Android device**
- **A library card**

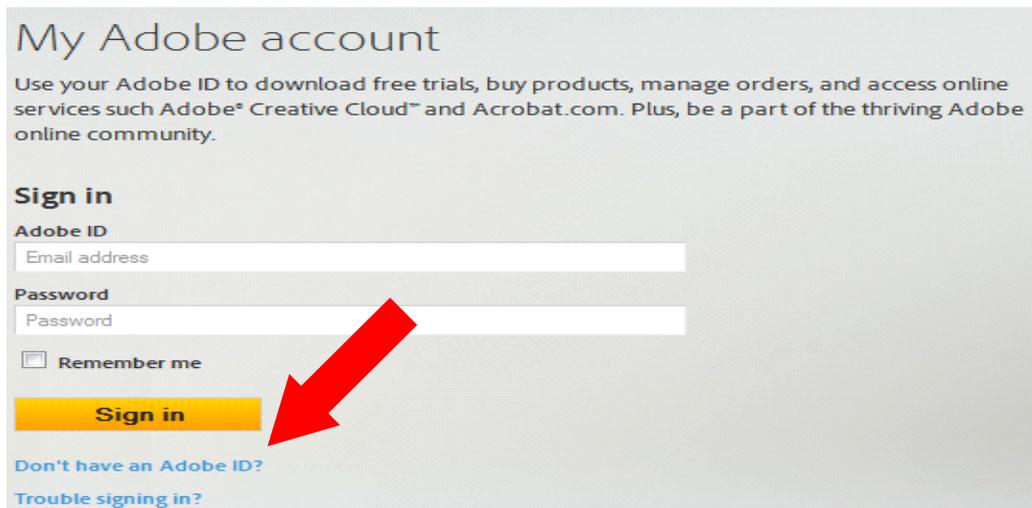

**OVERVIEW:** As a first time user, you'll need to create an Adobe ID. Download the **OverDrive Media Console** app from the **Google Play Store**. Browse the Peninsula Library System's digital catalog. Select and download digital title(s) in the EPUB or PDF specific format(s). And finally, download your desired title(s) onto your Android device.

## Create an Adobe Account/ID

- Using a computer or your device go to [www.adobe.com](http://www.adobe.com)
- Click on **Sign in** on the upper right hand corner

- Then select **Don't have an Adobe ID?**

- Next you'll be prompted to register for an account. Once you fill out the application, click **Create**.
- Once you have an account, authorize your device with your new **Adobe ID**.
- Click **Settings**
- Enter your **Adobe ID (email)** and **password**
- Select **Authorize**
- Select the Android Menu icon 

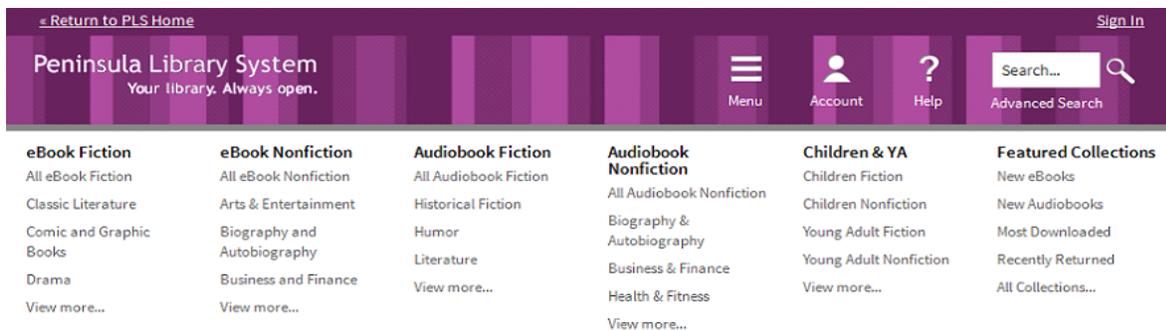

## Download the OverDrive Media Console app from Google Play

- On your device, open up your **Google Play Store**

- Search for the **OverDrive Media Console** app
- Select **Install** and **Accept**
- On your home screen, tap your **OverDrive** app
- On the menu bar, tap the **Get Books** icon  followed by the  icon
- You will now be prompted to **Find a library**, enter your zip code and choose your home library. This will take you to the PLS eBook catalog.

## Checking out eBooks in EPUB or PDF format

Start your digital browsing and selection process by visiting the Peninsula Library System's digital catalog at [pls.lib.overdrive.com](https://pls.lib.overdrive.com)

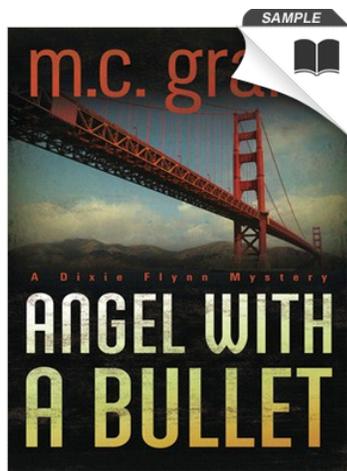

**Above Image:** Patrons have the option of browsing our catalog by genre, media, age-level or featured titles. If you utilize the **Advanced Search** feature, you can hone your search even further by Format, Languages, Publishers, etc...

Under **All Formats**, in the **Advanced Search** window, condense your search by selecting either the **EPUB** or **PDF** format by pressing the drop-down menu. You can limit your choices further by checking the **Show only titles with copies available** box and click **Search**.

**\* If you are looking for a particular title and it is currently unavailable, there is an option to Place a Hold .**

- Once you have found a title that you would like to check out, click **Borrow**.

- You will then be prompted to select your PLS library. Once you select your library, please sign in with your library card number (no spaces required).

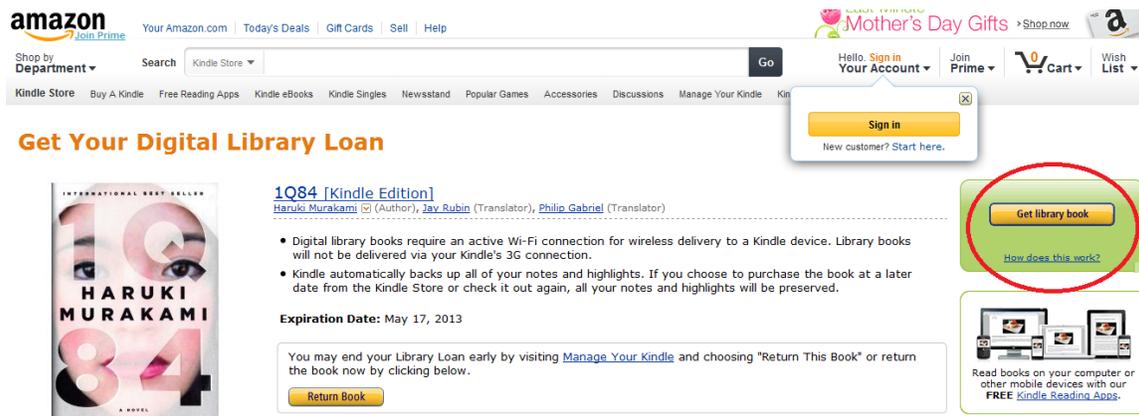

- Your title has now been secured and transferred onto your library record. To retrieve your title, click on the **Download** drop-down menu, select **Kindle Book** and click on **Confirm & Download**.

## Bookshelf

Note: Once you select a format, you may only be able to return the title via the software.

- You will then be directed over to Amazon, where you can retrieve your eBook by selecting the **Get library book** option. This window informs you when your title's loan period has expired and when your loan will automatically be removed from your device.

- Log into your Amazon account and click **Sign in using our secure server**

- If you have more than one device registered with Amazon, you will be asked to choose one to receive the eBook. After you have chosen click **Continue**.

Monica, please choose a Kindle device or reading application for delivery of your title:

- Sync your device and your Kindle eBook should be ready to read. If for some reason Amazon cannot connect to your Kindle, it will tell you that "Your public library book has been delivered to your Kindle. Your Kindle will download (the title) the next time it connects to Wi-Fi...". This means that the next time you go to Burlingame Library or any place with Wi-Fi, it should show up when your device is synced. If you are unsure how to sync your Kindle, consult your device manual or see Amazon.com "help" for instructions on how to sync your device.

- You also have the option to download the eBook to your computer and then transfer it to your Kindle via the **USB cable**. To do this click **Download now**.

### Thanks, Monica!

Your digital library book will be delivered to Monica's Kindle. Your Kindle will download **1Q84** the next time it connects to Wi-Fi. If you would like to manage your digital titles, go to [Manage Your Kindle](#).

To transfer to your device via USB, click **Download now** ([Learn more](#)).

Or you can [read now in Kindle Cloud Reader](#) or on other devices using our [Free Kindle Reading Apps](#).

> [Continue shopping the Kindle store](#)

- The eBook will be an .azm file and will be saved to its default location (usually in the Documents file under Downloads); the name of the file will be the-book-title.azm.

Select **Save File**, then click **OK**

This will save your Kindle Edition to the default downloads location.

To begin reading, first make sure your Kindle is connected to this computer via USB. Then, copy the downloaded file to the "documents" folder of your Kindle. It will appear on your Home screen.

- On your device, hit **Menu** and select the **Sync and Check for items** option in order to update your eReader's inventory.

- Once you find the file (be sure your Kindle is connected to your computer with the USB cord) move, copy, or "drag and drop" the file to the Kindle. Check your Kindle bookshelf to be sure it downloaded properly and begin enjoying your free eBook compliments of Burlingame Public Library and Peninsula Library System.

## Returning an OverDrive eBook

- If you wish to return your digital rental before your lending period expires, you may select the  icon and tap **Return/Delete**.

## \* **NEW! OverDrive Read Feature** \*

Now you can read eBooks across different devices with only one check-out. In order to utilize this new OverDrive feature your device must be browser based and connected to a Wi-Fi network.

- Simply tap **Read (in your browser)**. By selecting this option, your eBook will open up in a new window on your device for you to instantly read. Items that you check-out using **OverDrive Read** are also accessible on your other devices (phone, computer, anything browser based) using the same library account information. You can re-access this book from another device or same device by opening the Overdrive app – click the “book” icon as if you are checking out a new book, then once you are in the eBook catalog sign in, open your Account, and your book will be there in your bookshelf – just click **Read**

Remember this process will become faster and easier after this first time. Please feel free to call or come into Burlingame Public with your device if you have any questions. (650) 558-7400 ext. 2 (Revised June 2013)
