NOTICE INVITING SEALED BIDS

Sealed proposals will be received at the office of the City Clerk, City Hall, 501 Primrose Road, Burlingame, California, until 2:00 P.M., on Wednesday, May 27, 2015 and will, at 2:00 P.M. on that date, be publicly opened and read at the City Hall, in Conference Room "B" for: **SANCHEZ BYPASS AND NEIGHBORHOOD SEWER REHABILITATION PROJECT PHASE 4, CITY PROJECT NO. 82623**, within the City of Burlingame, San Mateo County, California.

Plans and Specifications covering the work may be obtained by prospective bidders upon application and a cash or check, non-refundable deposit of \$80.00, or \$95.00 if contract documents are mailed (USPS only), at the office of the City Engineer, 501 Primrose Road, Burlingame, CA 94010.

The work shall consist of constructing approximately 7,800 LF of new 8-inch through 18-inch sanitary sewer of sanitary sewer pipe throughout the City using open cut, pipe bursting, cured-in-place pipe, sliplining, or horizontal directional drilling methods in public right-of-way, along easement areas, and in private properties. Other related works include installation and replacement of manholes, cleanouts and laterals by pipe bursting, CIPP, or open cut, rehabilitation of manholes, temporary bypass pumping, connecting all laterals, and other miscellaneous works.

Special Provisions, Specifications and Plans, including minimum wage rates to be paid in compliance with Section 1773.2 of the California Labor Code and related provisions, may be inspected in the office of the City Engineer during normal working hours at City Hall, 501 Primrose Road, Burlingame, California.

Bidders shall attend a **mandatory pre-bid job site meeting** at 10:00 A.M. at the City Hall on Tuesday, May 12, 2015. Questions pertaining to the contract documents will be accepted up to 5 p.m. on May 20, 2015.

The Contractor shall possess either a Class A license or a combination of Class C-8, C-12 and C-34 licenses prior to submitting a bid.

All work specified in this project, shall include the base bid and alternate bids, and shall be completed within **one hundred ten (110) working days** from date of the Notice to Proceed.

Department of Industrial Relations (DIR) Public Works Contractor Registration Program

All contractors and subcontractors who bid or work on a public works project will be required to register and pay an annual fee to DIR. As of March 1, 2015, no contractor or subcontractor may be

listed on a bid proposal for a public works project unless registered with DIR. The phase-in timetable is as follows:

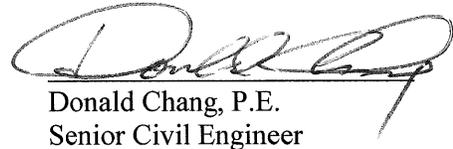

April 1, 2015: No contractor or subcontractor may work on a public works project unless registered with DIR.

All contractors and subcontractors will be required to furnish electronic certified payroll records directly to the Labor Commissioner (aka Division of Labor Standards Enforcement). The phase-in timetable for this requirement is as follows:

April 1, 2015: for all new projects awarded on or after this date, the contractors and subcontractors must furnish electronic certified payroll records to the Labor Commissioner.

Anytime: for projects besides those listed above, the Labor Commissioner may at any time require the contractors and subcontractors to furnish electronic certified payroll records.

January 1, 2016: the requirement to furnish electronic certified payroll records to the Labor Commissioner will apply to all public works projects, whether new or ongoing.
