

City of Burlingame, CA General Fund Revenues

Source: City of Burlingame, Finance Department, 2016.

Revenues generated in the City are responsible for the maintenance of city services. These services include police, public infrastructure, park and recreation, community development, library and other services that contribute to the quality of life that residents and businesses enjoy. The graph above shows the trend since fiscal year 2007 and it is projected that the general fund revenues will continue to grow.
