NOTICE INVITING SEALED BIDS

Sealed proposals will be received at the office of the City Clerk, City Hall, 501 Primrose Road, Burlingame, California, until 2:00 P.M., on May 12th, 2016 and will, at 2:00 P.M. on that date, be publicly opened and read at the City Hall, in Conference Room "B" for:

EL CAMINO REAL WATER MAIN IMPROVEMENTS, CITY PROJECT NO. 83510, within the City of Burlingame, San Mateo County, California.

Plans and Specifications covering the work may be obtained by prospective bidders with a non-refundable deposit of \$50.00 or \$65.00 if contract documents are mailed (USPS only) by cash or check, at the office of the City Engineer, 501 Primrose Road, 2nd Floor, Burlingame, CA 94010 – (650)58-7230.

The work shall consist of installing approximately 2,900 linear feet of new 4-inch, 6-inch, 8-inch and 10-inch Ductile Iron (DI) water main on El Camino Real, between Broadway and Hillside Drive; El Camino Real at Ray Drive/Rosedale Avenue; and El Camino Real at Murchison Drive in the City of Burlingame, together with all service connections, valves, fittings, fire hydrants, and appurtenances and other work required to make a complete and operable system. The existing water mains will be abandoned in place. The construction method is anticipated to be conventional open trench. The Engineer's Estimate for this work is \$1,300,000.

Special Provisions, Specifications and Plans, including minimum wage rates to be paid in compliance with Section 1773.2 of the California Labor Code and related provisions, may be inspected in the office of the City Engineer during normal working hours at City Hall, 501 Primrose Road, Burlingame, California.

A **mandatory pre-bid meeting** will be held at 2:00 P.M., City Hall, Conference Room "B" on April 27th 2016. Questions pertaining to the contract documents will be accepted up to 5:00 P.M. on May 5th, 2016.

The Contractor shall possess a Class A license prior to submitting a bid. All work specified in this project shall be completed within **120 working days** from date of the Notice to Proceed.

The Contractor and subcontractors who bid or work on a public works project is required to register and pay an annual fee to Department of Industrial Relations (DIR). No contractor or subcontractor may work on a public works project unless registered with DIR. All contractors and subcontractors are required to furnish electronic certified payroll records directly to the Division of Labor Standards Enforcement for all public works projects, whether new or ongoing.

Kevin Okada, P.E.
Senior Civil Engineer

DATE OF POSTING: April 18, 2016

TIME OF COMPLETION FOR BASE BID: One Hundred Twenty (120) WORKING DAYS
