

## JOIN THE CONVERSATION!

The City of Burlingame is engaging the community around upcoming budget planning. Below are some of the key priorities identified by your neighbors in a community survey conducted last year. Please give us your feedback. We will review all comments to ensure that the City continues to address the community's priorities in its planning.

- Reducing traffic congestion on city streets
- Continuing to rapidly respond to 911 emergency calls
- Maintaining recreation programs & facilities for youth, teens & seniors
- Repairing potholes
- Maintaining safe routes to schools
- Maintaining crime prevention and investigation programs
- Providing adequate park & recreation facilities
- Providing a range of diverse housing options
