* Long-Term Parking

Guide to Parking in the Burlingame Avenue District

The City of Burlingame maintains on-street and off-street parking spaces to serve customers, visitors, employees, and residents in the business district. Parking fees and time restrictions are set to encourage employee parking in the outer fringe areas of the district while promoting customer and visitor parking closer to Burlingame Avenue.

ON-STREET PARKING

On-street parking is primarily controlled by meters, which accept nickels dimes, and quarters. Meters on Burlingame Avenue accept credit cards as well. Most meters have 2-hour and 4-hour limits. A limited number of 24-minute meters are also provided for high turnover locations. There are also 10-hour meters in the more remote areas, which are available for employees and long-term visitors.

PARKING LOTS

The City provides 18 off-street parking lots with 2-hour, 4-hour, 9-hour, and 10-hour parking meters. Seven of these lots are equipped with special pay-and-display meters. To use the meters, insert \$3.00 for all-day parking from 8 am to 6 pm. Place the printed receipt on the dashboard of your vehicle.

For more information about public parking, please contact the City of Burlingame at (650) 558-7230.
