

# HORROR

for  
**TEENS**

**Anna dressed in blood (Anna #1)**

by *Kendare Blake*

Cas kills the dead. When he arrives in a new town in search of a ghost, Cas finds a girl entangled in curses and rage, a ghost like he has never faced before.

**Bad girls don't die (Bad girls don't die #1)**

by *Katie Alender*

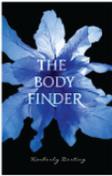

Alexis' sister Kasey has always been weird, but now Kasey is becoming even weirder. She forgets chunks of time in which her blue eyes go green and she speaks in an old fashioned language. Is she even Kasey anymore?

**Body finder (The body finder #1)**

by *Kimberly Derting*

Violet Ambrose can sense dead bodies. There is a serial killer on the loose and she is determined to use her ability to help track him down with the help from her secret crush, Jay.

**Cirque du Freak (Cirque du Freak #1)**

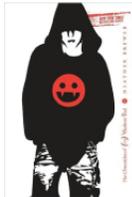

Darren and Steve attend a traveling freak show in their town and become involved with a strange vampire and the creepy spider Darren steals from him.

**City of bones (The mortal instruments #1)**

by *Cassandra Clare*

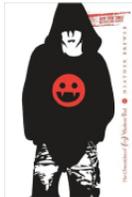

Fifteen-year-old Clary Fray sees people that no one else can see, and soon becomes wrapped up in a world she never knew existed.

**Eighth grade bites (Chronicles of Vladimir Tod #1)**

by *Heather Brewer*

Vlad is trying to get through the normal pressures of middle school. He just has to keep his vampire urges under control.

**The enemy (The enemy #1)**

A terrible disease has wiped out most of humanity and turned the adults into zombies and survivors under 14 into their food source.

**Evernight (Evernight #1)**

Sixteen-year-old Bianca doesn't really fit in at her new gothic boarding school Evernight, until she bonds with Lucas. But dark secrets are fated to tear them apart.

**Fear: 13 stories of suspense & horror**

by *R.L. Stine*  
Thirteen blood-chilling stories from true masters of suspense. Nothing is what it seems, and no one is safe.

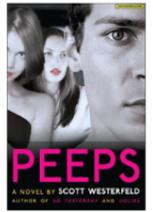

**Name of the star (Shades of London #1)**

by *Maureen Johnson*

Rory arrives at boarding school just as a string of murders mirroring those of Jack the Ripper begin terrorizing the city. Rory finds herself caught up in the investigation since she is the only one who can see the murderer.

**Peeps**

by *Scott Westerfeld*  
Cal moves from Texas to New York City at the beginning of his freshman year in college, meets an odd girl and becomes infected with a parasite that turns him into a peep, a vampire-like creature.

**Replacement**

by *Brenna Yovanoff*  
Mackie Doyle is not one of us; he is a Replacement, left in the crib of a human baby sixteen years ago. Now, because of deadly allergies, Mackie is fighting to survive in the human world.

**Rot & ruin**

(Benny Imura #1) by *Jonathan Maberry*

It is fourteen years after the Zombie apocalypse and Benny Imura is now fifteen and forced to work with his older brother Tom as a zombie hunter.

**The secret hour (Midnighters #1)**

by *Scott Westerfeld*  
When Jessica moves from Chicago to a small town in Oklahoma she suddenly becomes involved in a group of people who can fight strange and scrappy creatures during a dreamlike midnight hour.

**Shadowlands (Shadowlands #1)**

by *Kate Brian*  
Rory Miller survived and the serial killer who attacked her escaped. She begins her life again in a new town but just as she's starting to feel safe again, one of her new friends goes missing.

**Summoning (Darkest powers #1)**

by *Kelley Armstrong*

When Chloe saw her first ghost, she was diagnosed with schizophrenia and shipped off to Lyle House, a home for "troubled" teens. She starts to realize that Lyle House might not be as harmless as it appears, and that there are a few skeletons in the closets.

**Tales of terror**

by *Edgar Allan Poe*  
A collection of Poe's best horror tales including The Cask of Amontillado and The Tell-Tale Heart.

**Vampire high**

by *Douglas Rees*  
After a move from California to Massachusetts, Cody flunks out of his new school hoping to return to his old home. Instead, Cody's parents send him to Vlad Dracul Magnet School where he soon learns that most of the other students are vampires.

**Wake (Dream catcher #1)**

by *Lisa McMann*  
Seventeen-year-old Janie can enter people's dreams. Things get complicated when she becomes a participant rather than an observer in a nightmare.

**Zom-B (Zom-B #1)**

by *Darren Shan*  
When zombies show up at school, chaos erupts. Only those brave enough, and willing to do anything to survive, will live through the massacre. Will B make it out of school alive?
