J598.92

Another great resource:

International Wildlife Encyclopedia. Jf590.3 B955i

This 22-volume reference set offers coverage of thousands of species of wildlife, from amoebas to zebras, for elementary school students and above.

Online resources:

Visit the library website:
www.burlingame.org/library-homework

Click on the "Homework Help" button. There are two databases that have information on animals. (For use from home, these both require that you enter your library card number).

Under "General Homework Resources" - Kids InfoBits

Under "Science Resources" - Science in Context
